

Journal: Lesson 51

As I near completion of this course, do I have new insights about nonstealing and how it impacts my prosperity?

What am I ready to stop? Or, what am I ready to stop for? How will stopping that belief, behavior, or relationship involvement support my ability to live and give more skillfully?

How would I describe my commitment to thrive? What supports that commitment?

Am I ready to receive the jewels of abundance? Is there room in my life for thriving now?
